

CFYI January Newsletter

2019

Dear Parents:

We would like to wish everyone a happy, healthy, 2019! The New Year is a great time to update all information for your child's file. It is also a good time to make sure their extra changes of clothing are still the right size.

Don't forget to send napping items and an extra change of clothing. Be sure to label them. Labeled items do not get lost!!

Thank You

The staff would like to thank everyone for the cards and gifts they received. Your generosity and kind thoughts helped make the season even brighter.

Miss Becky Retires:

After 34 years at CFYI Miss Becky has decided to take a well-deserved break and retire. She has been a wonderful, exemplary employee. And, like a family member we will miss her very much.

COLD AND FLU SEASON IS HERE

Help us prevent the spread of the flu virus by keeping your child home if running a fever, vomiting, has diarrhea or just physically appears not to feel well. The Center washes and disinfects toys daily. In addition the Staff washes their hands and the children's hands multiple times throughout the day to help prevent the spread of germs.

REVIEW CENTER'S ILLNESS POLICY

Please be sure to review this policy on our website or on classroom parent bulletin boards.

With cold weather approaching please remember to send jackets labeled with child's name.

FEE INCREASE

There will be an increase in fees beginning February 1st. An addendum to your contract with new fees will be available in classrooms.

CENTER HOLIDAYS:

The list of 2019 Holidays is posted on Parent Bulletin Boards

Reminders!

The Center will close on Monday, January 21, in observance of Martin Luther King Day.

DON'T FORGET

Children must be signed in and out daily with your full signature.
